

Cygienic UCRM Platform

Manage Compliance & Risk Audits

From industry regulations and standards to security policies and awareness material, everything pre-built and centrally managed.

Attack Surface Management ASM

A non-intrusive assessment of your company's internet-facing assets, including web servers, websites, and email systems.

Cyber Finance & Insurance

Evaluate your business's financial exposure to cyberattacks with our advanced cyber financial risk & insurance calculator.

Cyber Threat Intelligence

Industry-standard tools scan your company systems for vulnerabilities, search the darkweb for company confidential data and credential leaks.
